NEWSLETTER

YEAR 1983

THE PREZ SEZ

MONTH FEB.

This article concludes the last one that I will write as your club President and many of you told me that its a thankless job. It may be that, however I would like to thank everyone who took a part in creating a year of activity for you and acknowledge their participation regardless of their contribution. You know who you are and I want to say thank you for assisting me. I think it was all worth the effort.

On February 12th your new administration will be installed at the banquet. Please support them in the coming months and allow them the decesion making responsibility. That way the meetings will flow better and the time can be used for the membership and a small amount of business can be handled.

Best of the year to all of you and I hope to see you at the upcoming meetings.

73, Tony Musero-K3UKW
President

Calendar for February

- 3 - Board of Directors Meeting - Best Western Motel, Roosevelt Blvd.
North of Cottman Ave., South of Rhawn.
- 6 - General Membership Meeting- " Same location as above "
- 12 - Saturday Evening, HARC, Inc., Club Banquet, Holiday Inn on Street
Road, West of Route I. If you are not coming to the banquet you
can join us for a "Cocktail Hour" 6 p.m. to 7 p.m. (Check with
our banquet committee, W2FVJ-Lou or K3RBO-Paul for time).
- 14 - Spend some of those "Green Stamps" on the XYL because today is
V a l e n t i n e ' s D a y .
- 20 - Lancaster Hamfest. Located on Route 30, east of Route 222.
Check QST for a talk-in frequency.
- 27 - Hamfest in or near Wilmington, Delaware. Check QST for details.

Note: Time is sure moving fast onto March!

In like a LION out like a Lamb.

FREQUENCY ALLOCATIONS FOR POPULAR AMATEUR BANDS
All in Megahertz. "X" indicates no privileges.

January 20, 1983

Holmesburg Amateur Radio Club
P. O. Box 6253
Philadelphia, PA 19136

To the Officers and Members of H.A.R.C.,

As my term as president of the U. of P. Radio Club comes to an end, I would like to impart my thanks to all of you for your support and friendship during the past year. With Tony's help, I have tried to encourage participation in the Holmesburg club's activities by members of the U. of P. club and vice versa. In doing so, my fellow members and I have always been very warmly received at your meetings and activities. You always made it worth getting up early on Sunday mornings! More importantly, as a result of our activities such as field day and W3WP, we have learned and benefited from the experience and knowledge of many of you amateurs who are a bit more experienced than we are, both in amateur radio and in life.

I hope that the relationship between the two clubs continues to be a happy one for many years to come. On behalf of the officers and the entire membership of the U. of P. Amateur Radio Club, I extend my thanks and good wishes to all of you. Good luck in the coming year.

73,

Steven B. Phillips, KI3Q, President,
U. of P. Amateur Radio Club

TECHNICAL COMMITTEE REPORT

On behalf of the Technical Committee and myself I would like to wish everyone a happy and healthy New Year. We hope that in '83 the repeater continues to perform in a trouble free manner so we can spend time improving it, instead of having it fixed.

For '83 we have planned on putting up phased antennas at the northeast site and pointing them in our shadow areas and heavily used areas. This will not affect our transmitting but should increase our receiving strength. Also, we are going to buy another plug in Selector for the G.E. voting system and built up another input using our spare boards and purchasing some new modules. This input will initially be used as a portable receiver until we can find it a permanent home, preferably somewhere in the immediate South Jersey area.

If some of you have not already noticed, as of January 17 the auto patch code has been changed prior to the election of new officers which is the February meeting, if you have not paid your dues, see you at the February meeting for the new code. Until next month.

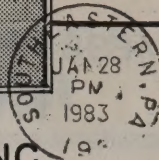

73

Ronald J. Cardullo WB3BDC
