-THE PRES SEZ-

March 1982

First I'd like to say thank you for electing me as your club President for the next year however someone told me that since I didn't have another person running against me that it was a shoe in. I'm wondering if the guy who told me that, knew how big the shoe was to fill. I will do what is best for the Holmesburg Amateur Radio Club and our members but responsibility for a lot of things will not be mine it will be ours. I have asked for volunteers to serve in various capacities as appointed positions to assist the officers to do a better job. I'd like to see a greater amount of P.R. to the news media for what we do at public service events and I'd like to see a greater amount of participation from people within our organization. At this point several events are planned for the year and you may or may not want to join in. If you would like to initiate some other event please do and gather the facts and attend a meeting so that you can present it to the membership. Don't hesitate if you think your idea is worth while and speak up at the monthly business meetings to present your idea.

I'd like to urge each of you to take part and join in on the club net that is held each Wednesday evening at eight o'clock on the club repeater. This will be your main source of information of upcoming events and club information. According to here say our repeater has become one of the most active in the Delaware Valley. Thanks to our technical committee the planned N.E. input is days away from being on the air and that alone has been a time consuming job in itself. You may be interested to know that the next business meeting will provide you with all sorts of information from the technical staff consisting of: WB3BYM, John. WB3BDC Ron. KB3SM, Bob. KE3U, Steve. K2XE, Jim. They will also answer any questions that may be of interest to you about the Northeast Input and repeater. At the same time they will present their program for 1982 for improvements and budget. Make it a point to attend. The meeting will be held on MARCH 14, 1982 at the Land mark Inn located at the intersection of Routes 38 & 73 in Maple Shade, N.J. For those of you who did not attend the February meeting this turned out to be a very nice facility with adequate parking, a good restaurant and a nice savings for the club.

Well I hope to see you then and I'd like to extend a speedy recovery to our treasurer Jay Kupperman, WA3IFY who is presently (at this writing) in the Intensive Care Unit of Frankford Hospital (South) resting and undergoing some extensive testing for a MILD condition. (of angina)

"this is the year of participation so come on out

and get to know the guys and
have some FUN doing so"

March Calendar

- March 6,7 - International DX Contest, PHONE.
March 7 - Penn Wireless TRADEFEST.
National Guard Armory, Roosevelt Blvd. and South Hampton Rd.
March 11 - WIAW CW Qualifying Run. (see QST for details and a nice certificate is offered.)
